MORTGAGEE'S NOTICE OF INTENTION OF FORECLOSURE AND OF SALE.

NOTICE IS HEREBY GIVEN THAT pursuant to the power of sale contained in that certain mortgage dated May 31, A. D. 1899, made by Elizabeth K. Smith, wife of George W. Smith of Honolulu, Island of Oahu, Territory of Hawaii, Mortgagee, to Mary J. Alexander, Mortgagee, and recorded in the Register Office, Oahu, in Liber 195, pages 40-43, the Mortgagee intends to foreclose said mortgage for condition broken, to wit, the non-payment of principal and interest when due.

Notice is likewise given that the property conveyed by the said mortgage will be sold at public auction at the Auction Rooms of James F. Morgan, Queen Street, Honolulu, on Saturday, the 13th day of September, 1902, at 12 o'clock noon. The property covered by said mortgage consists of:

First: All that certain piece or parcel of land situate at Pauwela, Hama-kualoa, District of Makawao, Island of Maui, Hawaiian Islands, containing an area of 46 acres, 2 chains and 65 fathoms (more or less) and being the same premises described in Royal Patent No. 144 to Paele and conveyed to the mortgagee by Kia Brooks and George Brooks, her husband, by deed dated November 28, A. D. 1895, and recorded in the office of the Registrar of Conveyances in Honolulu in Liber 158, pages 366 and 367.

Second: All that piece or parcel of land situate at Kamaole, Kula, Island of Maui aforesaid, containing an area of 5 acres (more or less) and being the premises described in Royal Patent (Grant) 392 to Philip; also all those pieces or parcels of land situate at Hamakualoa, said Island of Maui, and being parts 1, 5 and 6 of Royal Patent 2168, Land Commission Awards Nos. 3829 and 6013 to Paele; Part 1 containing an area of 56-100 of an acre; Part 5 containing an area of 5-100 of an acre; and Part 6 containing an area of 3-24-100 acres; said premises described in Paragraph 2 being the same premises conveyed to said Elizabeth K. Smith by deed of Kia Brooks and husband, dated July 29, 1896 and recorded in the Register Office, Oahu, in Liber 164, pages 131 and 132.

Third: All and singular that parcel of land situate at Kauluwela in said Honolulu, bounded and described as follows:

Beginning at the East corner of this land, being the West corner of Makalinal Lane and Kuakini Street, and running: N. 41° 20' W. 101 feet along Kuakini Street; S. 53° W. 110 feet; S. 41° E. 118.5 ft. along Lot 3; N. 44° 20' E. 110 feet along Makalinal Lane to the initial point; Containing an area of 12,058 square feet (more or less).

And being the same premises conveyed to said Elizabeth K. Smith by deed of Jesse P. Makalinal, dated June 1, 1899, and recorded in the Register Office, Oahu, in Liber 238, pages 214-216.

There is a comfortable cottage upon this last mentioned house-lot on Kuakini street between the residence of Mr. P. C. Jones and the Liliha street, and the premises together afford a very desirable opportunity for investment.

Together with all the rights, easements, privileges and appurtenances thereto belonging.

Terms: Cash United States Gold Coin; Deeds at the expense of purchaser.

THE SUMNER CASE AGAIN

Robinson Will Now Have to Hear It.

GEAR SAYS HE IS DISQUALIFIED

Postponement of Case Accomplishes the Desired Effect.

The Sumner case will be determined by Judge Robinson. The motion of the respondent for an immediate hearing was considered by Judge Gear yesterday morning, and he ruled that he was disqualified and would not pass upon the matter at all. He said that the question of jurisdiction would have to be passed upon by Judge Robinson, to whom the case was assigned. He gave as a reason for disqualification the fact that he had been engaged with Humphreys in an attempt to have Sumner declared incompetent and placed in charge of a receiver. Davis excepted to the ruling of the court in his usual emphatic manner. The case will come before Robinson in its usual order next Monday.

The ruling of Gear at this late day that he has no jurisdiction is in effect a decision in Davis's favor. The sole object of the defendant was to secure an immediate hearing, as Sumner wished to return to Tahiti as soon as possible. The hearing has dragged along for over a week now upon one pretext or another, and by the time the matter is taken up the two weeks given for return by the summons will have expired.

NEW TERM BEGINS.

Judge Robinson will open the special September term of court Monday morning. Only jury-waived cases will be considered unless there are criminal cases of pressing importance to be considered. The criminal cases which have been continued to the special term will again be continued to the regular November term. The regular August term of court will be ended this evening.

MURDERERS SENTENCED.

Judge Gear sentenced George Ferris and Kimura to be "hanged by the neck until dead," yesterday. His pronouncement of sentence was a mere formality, as under the statutes a verdict of guilty of murder in the first degree is equivalent to a death sentence. The high sheriff is directed to carry out the sentence of the court. In the case of Kimura H. W. Robinson, his attorney, has appealed to the Japanese consul for aid in case an appeal is taken. An appeal will also be taken in the Ferris case, and a stay of execution asked until the matter is finally passed upon.

LANCASTER DIVORCE CASE.

In the Lancaster divorce case the defendant appeared yesterday morning to show cause why he should not be punished for contempt for failure to pay alimony, required for the support of his child. Lancaster was on the stand in response to the summons, and admitted that he was \$75 behind in his payments to his wife. Lancaster said he was earning \$24 a week, but that he had had trouble which prevented his paying the alimony. Questioned by the Court as to this trouble, he said he had been fined \$31.50 in police court for adultery, and on another occasion \$23 on a charge of assault and battery. There was finally an agreement that if he pay \$50 immediately the plaintiff would wait for the balance. Then it was discovered that \$75 was not the amount really due, the wife claiming \$230. The accounts were found to be so mixed up as to make an immediate settlement impossible, and F. H. Loucks was appointed master to ascertain the amount really due. W. S. Fleming appeared for Lancaster.

HALL WANTS HIS FREEDOM.

Willie Hall, a spendthrift, has made a second attempt to secure his freedom from Geo. R. Carter, his guardian. In a petition for the discharge of the guardian, filed yesterday, it is alleged that Hall has an estate worth \$40,000, which should produce \$3000 a year, but that he has only been allowed \$22.50 by his guardian. Hall says that when the guardian was appointed he did not understand the nature of the proceeding. Hall says he has "led a moral, careful, upright life, as far as he could," for a year, and now wants to be released from guardianship. This is the second attempt to oust Carter, who was appointed at the request of all parties and the court.

COURT NOTES.

The order to show cause in the Flint case for non-payment of alimony was continued by Judge Robinson yesterday. The case will be heard this morning.

Otto Rabe has asked for an order directing William Mutch and Fred Harrison as executor to pay him his one-fifth share of the estate of Guistain Rabe.

Voice (from upstairs, to suitor in parlor)—"George, when you leave will you please throw in the morning paper?"—Judge.

SCOURING YOUR SCALP.

Will Remove the Loose Dandruff Scales But It Won't Cure Dandruff.

If your hair is brittle and thinning, you have dandruff. The mere scouring of the scalp of the loose scales, won't cure dandruff; because dandruff is nothing but scales of scalp being thrown up by a pestiferous little germ in burrowing its way to the root of the hair where it saps the vitality causing falling hair and, in time, baldness. Now you can't stop dandruff, nor falling hair, nor prevent baldness unless you destroy that germ; and the only preparation that can do it is the new scientific discovery, Newbro's Herpicide. In fact, other hair preparation claims to kill the dandruff germ—all of them will clean the scalp; soap and water will do that, but only Newbro's Herpicide gets at the root of the trouble and kills the dandruff germ.

Notice to the Public.

WITH RESPECT TO THE CARD published by Bishop & Company, bankers, in the Hawaiian Star and Evening Bulletin, issue of date September 10th, 1902, and a similar notice which appeared in the Pacific Commercial Advertiser of date the 6th inst., this company desires to make the following statement to the public:

1. We deny absolutely the truth of the alleged information received by Messrs. Bishop and Company, charging the use by us of the name of said banking institution for the purpose of promoting the interests of the company, or for any other purpose. In this connection we will state that the financial condition and standing of the Hawaiian Realty and Maturity Company, Ltd., is such that no reference to any banking institution is necessary to ensure the permanency, stability and reliable business methods of this concern, and we invite the closest scrutiny of, and examination by, the public of our affairs.

2. We deny that we have been publishing, or that we have circulated, since the relation of depositor in said banking institution was terminated by us, any literature upon the back of which or in any portion of which, appears the name of Messrs. Bishop and Company. With respect to this unfounded allegation, we wish to say that it is more than probable that this company has been connected with a similar concern doing business in these islands, the literature of which concern does bear the name of Bishop and Company. This, although it is expressly disavowed in the card of Bishop & Company above referred to, that said institution has any connection with or responsibility for any other company unless published by authority.

This notice is published in justice to members and stockholders of this company, and for the additional purpose of relieving any further anxiety or apprehension on the part of Messrs. Bishop and Company.
